Chula Vista, CA 91915

Dear Fellow Sport Dietitians,

The United States Olympic Committee (USOC) Sport Nutrition Team is seeking experienced sport RDs to join our new Sport Dietitian Registry! The purpose of the registry is to have an available roster of pre-screened sport dietitians as resources for our National Governing Bodies (NGBs) of Olympic, Paralympic, and Pan American Sports. When the USOC sport nutrition team is presented with a request that they are unable to fulfill based on location, staff, or time they will be able to search the database for a qualified individual to refer the request. The registry will be internal to the USOC and not publically searchable at this initial phase of launching.

In order to be considered for the Sport Dietitian Registry you must meet the following criteria:

- Registered Dietitian (RD)
- Certified Specialist in Sports Dietetics (CSSD)
- Minimum of 2 years' experience working with Olympic, Collegiate, Professional, or Competitive Recreational athletes
- Liability insurance
- Master's degree or higher in Nutrition or Exercise Science (or similar e.g. IOC Diploma Sport Nutrition)
- 2 professional references within the field of sport (Coach, Team Manager, RD, etc.)
- Excellent presentation and communication skills
- Time available
- Willingness to provide your initial 4 hours of service pro bono

The screening process requires completion of an on-line application that provides insight into your applied experiences and expertise. At this time you will be asked to provide proof of current RD status, CSSD status, current Liability insurance, current resume or curriculum vitae. You will also be asked to read and agree to a statement regarding standards, obligations, and ethical conduct of the Sport Dietitian Registry. You will then be notified of your addition to the registry by a member of our team.

The USOC Sport Nutrition Team would like to take this opportunity to invite you to apply for our brand new Sport Dietitian Registry.

Please refer to the instructions pages and link below to register. **Please read the instructions carefully to successfully navigate the application process.**
