Here's how it works:

1. Order as many containers as you need for your facility. The more you buy, the more you save!
2. The EasyPak™ containers will be shipped to you with a return shipping label and instructions.
3. Once the container is full, tape the box closed or seal the lid on the bucket, fill out the supplied shipping label with your facility's name and address, and ship it to the recycling center for processing.
4. Access Certificates of Recycling and reorder EasyPak™ products...call 888.640.6700.

Exclusive features available at LampRecycling.com

Automatic Re-Ordering

Recycle a full container and a replacement will automatically be reordered and shipped to you.

Recycling Reports

Track progress and set goals with live, visual reporting of waste recycled at your facility.

Certificates of Recycling

Receive certificates of recycling for download in your inbox. Stay in compliance at all times.

Container Tracking

Enables managers to instantly determine container status... perfect for multiple facilities
